

Hectic. Chaotic. Constantly connected. Never off duty.

Our busy lives offer almost zero time to focus on our spiritual well-being. All this noise eventually affects the most important part of us: Our Souls.

It's Time to Unplug.

Nestled in the Sacramento Mountains and surrounded by the scenic ridgelines of the Lincoln National Forest, we invite you to a soul-refreshing experience.

At the Prayer Experience, you will unplug from life's constant pace and reconnect with God.

- ✓ Two nights. 7 Meals.
- ✓ 40 men.
- ✓ 7 Teachings on prayer.

The Prayer Experience is for Men who are not content with being Passionless, Lifeless, and Powerless in their Christian experience. If you are thirsting to experience the power of prayer available to you through the Holy Spirit and the Lord Jesus Christ then, **The Prayer Experience is for you!**

From the moment you arrive, see the mountains rising around you, and smell the Ponderosa Pines, you will understand why we say:

**The Greatest Need of Every Man is to Know God and to Walk
in a Real, Genuine and Personal Relationship with Him!**

Your spiritual life, your wife, your children, your grandchildren, and your ministry deserve a man who knows how to get ahold of God and walks in intimate fellowship with the Almighty. Be that man!

"I learned more about prayer at The Prayer Experience in 2 days than I learned during Bible College and over 20 years in the ministry. I'm organizing this Prayer Experience so that you too can experience the power of real prayer like I have." – Bro. Tim Urling
